Trademark Notice

Nothing contained within this License grants you or promises to grant you any license to make use of any trademarks, service marks, certification marks or logos of Continua (collectively “Continua Marks”), each of which is either registered or pending registration in the United States of America and other jurisdictions.

Without limiting the foregoing, you may not use any Continua Marks in any manner which would infringe upon Continua’s rights in the same, or which would state, imply or lead others to believe that your products or services are compliant with these Guidelines, or endorsed or certified by Continua.

The Continua Marks may only be pursuant to separate license agreements, which licenses are limited to members in good standing of Continua who comply with certain certification and usage guidelines promulgated by Continua.

Confidentiality and Nondisclosure

For purposes of this Agreement, the term “**Confidential Information**” means the Guidelines and any information which is disclosed to you by Continua, whether orally or in writing, or which may be obtained from a review of the Guidelines or other materials if such information is, or any such documents or other materials are, (i) marked or designated, whether orally or in writing, by Continua as confidential, or (ii) whether or not marked or designated by Continua as confidential, known by you to be treated by Continua as confidential. Notwithstanding any other provision in this Agreement to the contrary, the term “**Confidential Information**” does not include any information that you demonstrate (A) is generally available to the public other than as a result of a disclosure by you, (B) was made available to you from a source other than Continua on a nonrestricted and non-confidential basis, provided that you have no reason to believe that such source is bound by a restricted use or nondisclosure agreement with another party or is otherwise prohibited from using or disclosing such information by a contractual or fiduciary obligation, or (C) was independently developed by you without any use of Continua’s.

Confidentiality Obligations. For a period of 3 years following the expiration or termination of the term of this Agreement, and subject to the use restrictions stated above, you will keep confidential the Confidential Information and not disclose the Confidential Information to any third party without the specific prior written consent of Continua, provided, however, that you disclose the Confidential Information (i) on a need-to-know basis, to those of your directors, officers, managers, employees, subcontractors, agents, consultants, advisors, members, or other representatives (collectively, “**Representatives**”) who (A) require such Confidential Information for the permitted usage stated above, (B) are informed by you of the confidential nature of such Confidential Information and your obligations Supplier under this Agreement, and (C) who have executed written restricted use nondisclosure agreements with you (which may be general in form), and (ii) in accordance with a judicial or other governmental order, provided that you give Continua prompt notice of such order and comply with any applicable protective order or similar order. You will use all commercially reasonable efforts to enforce the terms of the restricted use nondisclosure agreements between you and your Representatives.

Injunctive Relief. You acknowledge and agree that any breach of any of the covenants set forth in this Confidentiality and Nondisclosure provision will cause irreparable harm and loss to Continua and/or its members and that money damages alone would not provide an adequate remedy in such event. Accordingly, you agree that, in addition to any other remedy to which Continua or its members may be entitled, at law or in equity, Continua and/or its members will be entitled to obtain injunctive or other equitable relief to restrain any breach or threatened breach of, or to otherwise specifically enforce, any of the covenants set forth in this Confidentiality and Nondisclosure provision.

Termination of License

Continua may terminate this license at any time if you are in breach of the terms of this License. Upon termination, you will immediately destroy your copy of the Guidelines (and any other copies of the Guidelines you possess as a result of breach of this License or otherwise).

Choice of Law
